

Transfer your ISA to Beanstalk

WHAT TO DO WITH THIS DOCUMENT

This is a written instruction to your current provider to transfer your CTF or JISA to Beanstalk. Please fill out this form carefully, then print and sign it. Finally, just put it in an envelope clearly addressed to **Freepost KIDSTART**. You won't need a stamp or any other details.

Or if you prefer, cut off the address label on the last page, stick it onto your envelope, and mail it to us with the completed form.

You will need to print and fill in a separate form for each ISA you wish to transfer to us.

We're sorry, but this process does require paper and a wet (ink) signature. We'll check your form and get back to you if we need to verify anything.
